

Fire Protection Fee

Fire Protection Fee

Residential & Commercial

The Fire Protection Fee is a fee charged to customers that are outside of the City limits of Richmond. The amount of the fee varies and is established by the customer's Municipal Utility District (MUD). The fee helps to fund the Emergency services (Fire and Police) provided to customers that are outside of the City limits of Richmond.

Note: Customers outside of the City limits of Richmond do not pay City property taxes, which help fund the City's Fire and Police services. Customers outside the City limits in a MUD participate in a monthly Fire Protection Fee to help fund the services provided by the City of Richmond.
