I authorize The City of Richmond to debit the account indicated above to pay my monthly utility bill. I understand that my bank account will be debited for the total amount due on the due date. (Should the due date fall on a weekend or holiday, your draft will be on the business date prior). If the city of Richmond erroneously debits funds from the above account, I authorize the City of Richmond to initiate the necessary credit entries not to exceed the total amount for the entry in question.

This authorization will remain in effect until written authorization has been received by the City of Richmond to terminate automatic debit. Authorization must be received at least five (5) business days before the account is charged.

Any balance due on the account at the time the authorization is submitted must be paid in full before starting the automatic bank draft.

There will be a \$30.00 return direct draft fee for all returned drafts for insufficient funds.
