RICHMOND
EST. **TEXAS** 1837

REQUEST FOR PROPOSAL (RFP)

**GENERATION OF AN ESRI GIS GEODATABASE
OF ALL MUNICIPAL UTILITY INFRASTRUCTURE DATA
TO ESTABLISH A GIS UTILITY FACILITIES MANAGEMENT SYSTEM**

The City of Richmond, Texas is seeking written proposals to provide professional GIS consultant services for the generation and implementation of an ESRI GIS (Geographic Information System) geodatabase of all municipal water, sanitary and storm sewer infrastructure data within the city limits and the surrounding extraterritorial jurisdiction (ETJ). Interested parties must review and adhere to the RFP document **GIS Utility Facilities Management** available on the City's website at <http://richmondtx.gov/departments/requests-for-proposals-qualifications-and-bids>. All submittals are due by 3:00 PM, Friday, September 30, 2016, to 600 Morton Street, Richmond, TX 77469, ATTN: Nancy Ricca, to be considered. Proposals will not be accepted via fax or email. This phase of the project will have a six (6) month completion deadline from the estimated award date of October 28, 2016.
